BEFORE YOU GO

We want to make your trip to Peru as memorable and carefree as possible. In this section, you'll find the answers to all your questions about traveling with Salkantay Trekking. Please read the following information carefully – it will also help you with any questions about our services.

» How many days do I need to acclimate in Cusco before the Trek?

It's very important to be well acclimated to the altitude before exerting yourself on a trek. We recommend that you arrive in Cusco at least 2 or 3 days before the trek starts to help you adjust and avoid possible problems with altitude sickness while on the trek.

You might have already been in another area of Peru at a high altitude before arriving in Cusco. In that case, we still recommend you have a whole day in Cusco to rest, recover from your travel, and enjoy the sights and sounds of Cusco before departing for the trek.

Here some suggestions for activities to do in the Cusco vicinity before starting your adventure trek:

City Tour

Sacred Valley

Maras Moray

» Briefing or Informative Meeting

All briefing meetings are held at 5:00 p.m. in our main office in Cusco (or your hotel) the day before the tour. The meeting lasts between 30 to 45 minutes. If you're unable to attend, you'll need to arrange a different time by email, phone, or by visiting the Salkantay Trekking office.

» Tour Balance Payment

The tour has to be paid in full at most 2 days before your departure. Otherwise, your reservation will not be confirmed.

It would be greatly appreciated if you pay the tour balance (US dollars or Peruvian soles) at our office in Cusco. You can withdraw money from several ATMs located in the historical center. We also accept payments by CARD or PAYPAL online, but please note this is subject to a 5% fee (charged by Niubiz and PayPal). We do not accept bank checks or traveler's checks as payment methods.

» Duffle Bag or Travel Bag

The evening before the trek, we'll provide you with a duffle bag to pack your clothes and personal gear needed for the trip. Our horsemen will carry it on the route and hand it to you once you get to each camp. Please note that you will not have access to your items in the bag until the end of each day.

The maximum weight allowed is 7 kg / 15.4 lb, including the weight of your sleeping bag, clothes, and other personal items. They measure 60 x 24 x 22 cm (23.6 x 9.4 x 8.7 in).

» Can I store my luggage at your office?

Of course! During the trip, you can store your main luggage for free at our office (arrange it with us on the briefing day or by email).

You can also safely keep any equipment you won't need for the tour in your hotel. Almost every hotel offers this service. Please do not leave valuable items in your bags; put them in the hotel safe and ask for an itemized receipt (in the unlikely case of theft, many insurance companies require that you have a copy of the receipt). For extra peace of mind, place items like credit cards inside a sealed and signed envelope.

» Pick up of guests

Please note:

- All pickups are within Cusco City, but we recommend booking a hotel in the historic center for its convenient location.
- Our guide or staff will confirm the pickup time the day before the tour.

- Due to traffic conditions, the pickup time may vary between 30 and 45 minutes.
- Cusco is an old city and has many narrow cobbled streets. Some hotels and Airbnbs are located on streets without car access or on long, steep slopes, making it difficult to transport luggage. For such reasons, we strongly advise you to book accommodation with good access.

» Group tours

Group tours are made up of different people with varying physical conditions and ages. By agreeing to be part of a group tour, you acknowledge that some people may be faster or slower than you. Therefore, each person can go at their own pace on the route.

In some cases, a group may want to modify the tour; however, the guide will be the one who decides, after consulting with all participants, whether such changes are possible.

» Strikes and Demonstrations

Strikes and demonstrations are usually common in Peru, which may interrupt some of our tours. Roads and train tracks can be blocked or taken over. However, we will try to keep your trip as originally planned, even if it means leaving the night before the scheduled date.

In case of changes or cancellations, our operations department will coordinate everything with you. Your safety is our highest priority, and we will make our decisions to protect it.

» Lost Objects

Please pay attention to where you leave your belongings and remember to take everything once you leave a place or a transport. You're the only one responsible for your objects during the tour.
