DAY 01

Cusco | Capuliyoc - Chiquisca -
Playa Rosalinas - Santa Rosa

Hike Through the Beautiful Andean Landscape and Breathe the Fresh Air

Your epic trip begins at 4:30 am when we collect you from your accommodation in Cusco and drive for five hours to Capuliyoc in our private transport. Along the way, you'll be treated to spectacular views of the Salkantay and Humantay snowy mountains.

When we arrive in Capuliyoc, you'll devour a delicious breakfast and meet the cook and horseman who'll make up your trekking team. They'll make sure your belongings arrive safely at each camp and that you're well-fed.

Once we start hiking, you'll make your way through the beautiful Apurimac landscapes through a huge valley on a 3-hour downhill walk. You'll spot two more gigantic mountains, Padreyoc and Qoriwayrachina, before we reach our lunch spot at Chiquisca.

When you're full and reenergized, we'll continue to the bottom of the valley for another hour and fifteen minutes. Here, you'll be confronted with the rushing Apurimac River, known as "Speaking God," in Quechua. The water boasts class V rapids, making it perfect for canoeing or rafting.

Finally, we'll make the last 2-hour descent until we reach Santa Rosa (1,970 m / 6,463 ft), our first campsite. You'll enjoy a tasty dinner before heading to bed for some well-earned sleep.

Don't miss some of the most important parts of the complex, such as the white stone llamas that were built to protect the important mountain overlooking the area known as Apu Goriwayrachina. Choquequirao remains a mystery in many ways and imagine that in the coming years you will learn more. At noon, you will stop at this magnificent site to enjoy lunch.

In the afternoon, you will return to your camp at Marampata to enjoy another great dinner and rest for the night. Once the sun has set, you will notice that the night sky is filled with stars and constellations. Contemplate their meaning before going to bed.

BEFORE YOU GO

We want to make your trip to Peru as memorable and as carefree as possible. In this section, you'll find the answers to all the questions you have about traveling with Salkantay Trekking in one place. Please read the following information carefully – it will help you with any questions about our services.

Have another question that we haven't answered here? Drop us a line and we will get back to you asap!

» How many days do I need to acclimate in Cusco before the Trek?

It's very important to be well acclimated to the altitude before exerting yourself on a trek. We recommend that you arrive in Cusco at least 2 or 3 days before the trek starts to help you adjust and avoid possible problems with altitude sickness while on the trek.

You might have already been in another area of Peru at a high altitude before arriving in Cusco. In that case, we still recommend you have a whole day in Cusco to rest, recover from your travel, and enjoy the sights and sounds of Cusco before departing for the trek.

Here some suggestions for activities to do in the Cusco vicinity before starting your adventure trek:

City Tour

Sacred Valley

Maras Moray

» Briefing or Informative Meeting

All information meetings and briefings are held in our main office in Cusco (or your hotel) at 5:00 pm, one night before the tour begins. These meetings last approximately 30 to 45 minutes. If you're unable to attend, you must coordinate another time by email, by phone or at the Salkantay Trekking office.

» Trek Balance Payment (in Cusco)

If you still have a pending balance, you must pay it 2 days before your hike/tour. Otherwise, your trip reservation will not be confirmed.

If possible, it would be greatly appreciated if you could settle the remaining balance for the trek/tour in cash, either in US dollars or the local currency, at our office in Cusco. You can withdraw funds from various ATMs located along Avenida Sol, offering both US dollars and Peruvian Soles. Alternatively, you have the option to pay using a credit/debit card or PAYPAL, either online or in person, but please note that a 5% service charge will be applied by our payment gateway (Niubiz) and PAYPAL. We regret to inform you that we are unable to accept bank checks or traveler's checks as forms of payment for the balance.

» Duffel Bag or Canvas Case

You'll receive a canvas case or duffel bag during your briefing. Our horses will carry them, and the horsemen will hand them to you when you get to each camp. They measure 60 x 24 x 22 cm (23.6 x 9.45 x 8.66 in).

A maximum of 7 kg / 15.4 lb is allowed for each duffel bag, including the weight of your sleeping bag, sleeping mat, clothes, and other personal items.

» Can I store my luggage at your office?

Of course! During the trip, your main luggage can be stored at our office (you can organize it with us on the briefing day or by email) or at your hotel, both free of charge.

Any equipment that you won't need on the trek can be stored safely in your hotel. Nearly every hotel will provide this service. Don't leave items of value with your bags; put them in the hotel safe and obtain an itemized receipt (in the unlikely case of theft, many insurance companies require that you have a copy of the receipt itemizing everything). It's best to put items such as credit cards inside a sealed, signed envelope for extra peace of mind.

» Pick up of guests

Salkantay Trekking can pick you up from your hotel, as long as it's in the Historical Center of Cusco. Your guide will coordinate the pickup time in the briefing session, but please keep in mind that the time may vary between 30 and 45 minutes due to traffic.

Cusco is an old city, meaning it has many narrow cobbled streets. Some hotels and Airbnbs may be located on streets without access to cars or on long, steep slopes, making it difficult to transport luggage. We strongly recommend that you book accommodation with good access.

» Group Tours

Group tours are made up of different types of people, then physical conditions and ages can vary. By agreeing to be part of a group tour, you also accept that some people may be faster or slower than you. Therefore, each person can go at their own pace on the route.

It may be the case that a group wishes to modify the tour; however, the guide will be the one who decides, after consulting with all the participants, if such modifications are possible.

» Strikes and demonstrations

Strikes and demonstrations are common in Peru, and this may interrupt some of our tours. Roads can be blocked, and train tracks can be taken over. However, we will try to keep your trip as originally planned, even if it means leaving the night before the scheduled date.

Under these circumstances, tours may also be canceled. In case of changes or cancellations, everything will be coordinated with you by our operations department. Your safety is our highest priority, and our decisions will be made to protect it.

» Lost objects

Please pay attention to where you leave your things and remember to take everything once you leave our transport, tents or restaurants. You're the only one responsible for your objects during the tour.
